

CAR CARE PRODUCTS

IT'S NOT DETAILING, IT'S ART

2012

Establishment of
Win Clean Co., Ltd.
and launch of own
brand It's Win.

2014

'IT'S WIN'
Brand Trademark
Registration.

2015

August 17th
Development and patent
Acquisition of Sponge Abrasive
Molding Device.

2020

- Completion and relocation of the office building.
- 'It's Win' Brand registration.
- Acquisition of ISO 9001 certificate.
- Selection of outstanding technology company (NICE D&B Co., Ltd.)

2019

Development and introduction
of fabric cutting device using
ultrasonic waves.

2021

August 4th
Patent acquisition of
ultrasonic microfiber cutter.

2022

- January 5th Utility model registration of Glass Coating sponge block
- January 17th Acquisition of patent for fabric automatic cutting device
- May 24th Acquisition of patent for sponge pad cutting device
- October 17th Development and Patent Acquisition of Blackhole Drying Towel
- November 23rd Acquisition of patent for Tire Cleansing applications

2023

It's Win Exclusive
Distributor in Japan
and China.

PRODUCTION FACILITIES

- **Ultrasonic Cutters**
- **Automated Grinding Machine**

ULTRASONIC CUTTERS

Introducing our state-of-the-art ultrasonic cutting machine, specifically engineered to cut microfibers into precise, uniform sizes. Our machines have been meticulously upgraded from existing models, featuring customized enhancements that ensure the finest cutting quality. Our ultrasonic cutters stand out as the only one of its kind in the world. Experience unparalleled precision and efficiency with our unique, world-class ultrasonic cutting solution.

AUTOMATED GRINDING MACHINE

Introducing our precision sponge grinding machine, expertly designed to shape coating and wax applicators to your exact specifications. Leveraging our extensive know-how, we've upgraded this machine to ensure the final products are smooth and highest quality. Experience unparalleled precision and superior quality with our advanced grinding technology.
